# PRIVATE DINING MENUS

## OUR PHILOSOPHY

We believe that good wine tells a story. At Revolution, our story is one that celebrates the diversity of our farms, our community, and our city. We invite you to become a member and celebrate these stories with us.

Our grapes are hand-harvested from local vineyards and brought to our winery in the heart of the city, on 29th and S Streets in Sacramento. Each of our vintages embodies a sense of place, reflecting the year's unique weather patterns and the rich soil of Northern California.

Experience the best wines of our region by joining our wine club today! Membership entitles you to club-exclusive wines, member only savings in our Restaurant on food and wine, two complimentary REV tastings with each visit, and quarterly pick-up parties.
